The News solicits communications relating to the public welfare, but is not responsible for the opinions expressed by correspondents.

**DIVIDING THE COUNTY.**  
Volusia is one of the few counties in the State containing such thriving, prosperous towns as DeLand, Daytona, Lake Helen, New Smyrna, Ormond, Osteen, Orange City, Pierson, DeLeon, Seville and several others. Volusia is one of the most prosperous counties in the State. All it needs to complete its prosperity is a system of good roads: One on the coast from Ormond to Oak Hill; one on the west side of the county from Seville to Osteen; one across the county from the St. Johns to the ocean. Instead of expending our efforts trying to divide the county into a pair of shoestrings, we should keep down expenses in every other line and put every available dollar on our roads. A hard road from Daytona to Osteen would induce all the Orange county people to summer at Daytona and other points on the coast. Cut the county in two, make another set of county officers to support, and the good work now about to begin on our roadways will be delayed several years. The interests of DeLand and Daytona are mutual—and other town can afford to have Volusia county divided.

**LETTERS FROM THE PEOPLE.**  
**To the Hon. City Cads.**  
For The DeLand News:  
I'll my old hat once, twice, and considering and res- and lights on autos, and motor cycles and a worthy mayor will see that the ordinance is strictly enforced.

**New Subscribers.**  
New subscribers to THE NEWS this week are as follows: Miss Sarah C. Onelund, Dr. E. G. Sumner, W. A. Stringfellow, Mrs. A. J. Brown, T. T. Crane, Mrs. Sidney B. Castle, Robt. Anderson, W. F. McClary, Chas. T. Kicker, W. W. Houston, Wm. T. Wooley, Glenwood, Fla.

**DELEON SPRINGS.**  
Special Correspondence.  
DeLeon Springs, Jan. 23.—Prof. Botts visited our school last week. Mrs. Lofland visited at Taylorville last week where her husband has a responsible position. The King's Daughters met Saturday evening at the residence of Mrs. Lynch. Mrs. W. S. Broderick is visiting her daughter in Jacksonville. Mr. L. G. Douglas is over on the coast this week taking in the views.

There was a song service at the hotel Sunday evening. We had a nice shower Sunday. A number of new arrivals at the house this week. Citizens deserve the work done in their precinct. Mr. W. B. Fudger has conducted this business for the past 15 years. He built it up to its present business from a \$50 stock, which he bought on tick when he was 18 years of age. The purchase price is understood to have been \$4,800. Mr. Clarkson is welcomed to DeLand as a young business man—and the best THE NEWS can wish for him is that he will be as successful as well as his predecessor.

**WATTS-WILSON.**  
**Beautiful Marriage Ceremony at Church, South.**  
One of the prettiest wedding the season occurred at Grace Methodist Episcopal Church, South, Wednesday evening, when Carrie Bush Watts, daughter of Mr. and Mrs. W. C. Watts, of Georgetown, Ky., were united in marriage.

The church was beautifully decorated with festoons of banyan and potted plants. Midway the two aisles were arches and the two "W"s suspended, the initials of both the bride and groom. The altar were banks of potted plants, and on each side was a cupid bearing double hearts pierced with love's dart. A wedding bell which hung from an interval in front of the altar. At frequent intervals all among the decorations were large butterfly bows, white, on the centre of each being one of green. The decorations were conceived and executed by Mrs. Happersett.

Mrs. Rosa presided at the piano and to the dulcet strains of stately Lohengrin wedding march the bridal party entered, led by Miss Louise Watts as flower girl and Master James Gross as ring bearer; next came four ushers, Mr. J. A. Stith, Mr. J. A. Allen, Mr. Myril Happersett, of DeLand, and Mr. E. G. Walker, of Atlanta. The bridesmaids were Miss Mary Stewart, Miss Marion Coulter, Miss Lennie Ender and Miss Ethel Watts. The Matron of Honor, Mrs. E. G. Walker, aunt of the bride, was attired in a handsome gown of liberty satin, hand embroidered, and carried a large bouquet of roses, as did each of the bridesmaids. The bride followed on the arm of her father, and was gown in a beautiful creation of white tulle and chiffon and point lace. The groom, accompanied by his best man, Dr. J. R. Moseley, of Georgetown, Ky., and DeLand, met the bride at the altar. Rev. C. A. Saunders, pastor of the church, officiated, and used the beautiful service of the Episcopal church.

A reception at the home of the bride's parents followed the ceremony. The house was beautifully decorated with ivy, ferns and roses. A delicious collation was served, and enjoyed by about two hundred guests. When the wedding cake was cut, the ring fell to Miss Margaret Watts, the thimble to Mr. Jack Stith, the dime to Miss Louise Watts and the can to Miss Marion Coulter. The bride's bouquet was caught by Miss Ethel Watts. After the reception Mr. and Mrs. Wilson went to Putnam Inn, where they remained until Thursday, when they left for Daytona to be gone about a week, after which they will return to DeLand before going to their home in Kentucky.

Out of town guests were Mrs. Ender and daughter, of Tampa; Mrs. J. A. Harrold, of Sanford; Mrs. Highsmith of Tampa, a cousin of the bride; Mr. and Mrs. B. F. Watts, of Leesburg; Mr. and Mrs. D. A. Morrison, of Jacksonville; Mr. and Mrs. E. G. Walker, of Atlanta, and Mrs. Green Cannon, of Jacksonville. Mrs. Charles Miller served the coffee, and Miss Lizzie Lloyd and Miss Louise Tanner presided at the punch bowl.

**FUDGER SELLS ST. ELMO.**  
Bought By Erick Clarkson, Who Takes Charge Today.  
Erick Clarkson last night completed the deal with W. B. Fudger, whereby he buys the St. Elmo restaurant, bakery and confectionery. Mr. Clarkson takes charge of the new business today. Mr. Fudger will remain with Mr. Clarkson for a few days, and then goes to Jacksonville, where he will accept a position on the road for the Van Deman Company. Mr. J. W. Fudger will accept a position with Mr. Clarkson as manager of the St. Elmo. Mr. W. B. Fudger has conducted this business for the past 15 years. He built it up to its present business from a \$50 stock, which he bought on tick when he was 18 years of age. The purchase price is understood to have been \$4,800. Mr. Clarkson is welcomed to DeLand as a young business man—and the best THE NEWS can wish for him is that he will be as successful as well as his predecessor.

**PORT ORANGE.**  
Special Correspondence.  
Port Orange, Jan. 23.—A party of our young people drove out to the sugar mill Wednesday evening and had a real old fashioned picnic; took chickens, rice, etc., and cooked a pilau under the old oak trees. Last week Miss Ruby Combs found a Nautilus shell on the beach just south of the bridge. It is the first one we have heard of this season. Dr. DuBois was called to Jacksonville on business Thursday, returning Friday night. Saturday the men digging shell out of the mound at the east end of the bridge found the complete skeleton of a man, who when alive, must have measured six feet or more. He is supposed to have been an Indian. Prof. Chas. Lane delivered a very amusing and instructive lecture in Ridgewood Hall Monday night.

**OSTEEN.**  
Special Correspondence.  
OSTEEN, Jan. 23.—Miss Edna Prevatt, of Geneva, is the guest of Miss Maud Harris this week. Mrs. Greaves is in Sanford for a few days. Quite a number of automobiles have passed through on their way to the Ormond races. There is a photographer in town this week and we are all having our "beauty struck." Sam Brooke was up from Cow Creek Sunday, standing around "gazing" at his best girl. T. J. Murray, from New Smyrna was here a couple of days on business the first of the week. F. Z. Greaves was over from Sanford Sunday. Mr. and Mrs. Robt. Walters and little Miss Elizabeth returned to DeLand Sunday, after a week's stay with W. T. Walters and family. Mrs. C. E. King and Miss Lucy, of Titusville, were the guests of Mrs. Ed. Pattillo last week. John and Phil Leonard will take in the auto races at Ormond the last of the week. D. G. Monroe was up from Titusville Monday, shaking hands with old friends. Hon. John Sauls was out from Enterprise Tuesday. Sunday afternoon a party of six couples went to Enterprise on the evening train, returning that night. They had supper at the Brock house, and they all report a jolly good time. John Brooke returned last night from Glenwood, after an absence of about six weeks.

**How to Prevent Bilious Attacks.**  
One who is subject to bilious attacks will notice that for a day or more before the attack he is not hungry at meal times and feels dull after eating. A dose of Chamberlain's Stomach and Liver Tablets when these first symptoms appear will ward off an attack. They are for sale by all druggists.

**LEAGUE MEETING.**  
Committee Appointed to Secure Improved Transportation Facilities.  
A meeting of the DeLand Business League was held Friday night, and the action of the former meeting requesting the change of location of the station was reconsidered. There was considerable discussion about the main line, and a motion was made and carried that a committee be appointed to correspond with the officials of the Atlantic Coast Line and try to secure a definite proposition for such change. President Fudger appointed Messrs. Dreka, Gould and Codrington on this committee. A motion was also made and carried that efforts be made to secure a branch of the Florida East Coast railway, from Lake Helen or Orange City, into DeLand. Dr. Fisher, C. H. Campbell and J. E. Bigelow were appointed as such committee. The agitation started in Daytona about dividing the county was then brought up, but so little was thought of the possibility of dividing the county—and thus increasing taxation—that the speakers wouldn't warm up to the subject at all. If the Daytona movement doesn't die out of its own accord, the Business League will appoint committees to show the people what the result would be, should the county be divided.

**A Wonderful Happening.**  
Port Byron, N. Y., has witnessed one of the most remarkable cases of healing ever recorded. Amos F. King, of that place says: "Bucklen's Arnica Salve cured a sore on my leg with which I had suffered over 80 years. I am now eighty-five." Guaranteed to cure all sores, by all druggists. 25c.

**CHURCH SERVICES.**  
Christian Church.  
Sunday School 10 a. m., Sermon 11 a. m., Junior Endeavor 3 p. m., Y. P. S. C. E. 6:45 p. m. Preaching 7:30. The evening sermon will be illustrated on the blackboard: subject: "How we may know we are saved." All are cordially invited. Strangers always welcome. J. W. B. Smith, Pastor.

**DEATH TO THE WHITE FLY and SCALE**  
To the Orange Growers of Florida  
As spraying for the White Fly is the only remedy now that we know we felt that we must have something to spray with that will kill the larvae, eggs, insect, and scale which is injurious to the orange tree, also clean the leaves and fruit of the sooty mould.  
**WE MANUFACTURE A SPAY**  
here in Orlando, Florida, that I will absolutely guarantee to do the above. Before spraying I would advise you to come or write for testimonials from reliable Orange growers.  
FROM THE FLORIDA EXPERIMENT STATION.  
Lake City, Fla., May 12, 1936.  
J. H. Porter, Orlando, Fla.  
Dear Sir:—I have examined the leaves carefully you sent me and I found them as follows: The first leaf contained about 140 White Fly larvae all dead but four, the second leaf contained about 400 White Fly larvae all dead. Lot No. 2 contained about 250 white fly larvae all dead but two. Second leaf contained approximately 500 larvae all dead but two. The specimens came in very good condition.  
Yours truly, P. H. ROLFS,  
Director Fla. Experiment Station.  
Mr. J. H. Porter used SCHNARR'S White Fly and Scale Destroyer.  
Statement of PROF. MORRELL, U. S. ENTOMOLOGIST.  
This is what Prof. A. W. Morrell, the U. S. Entomologist now stationed in Orlando to investigate the white fly, has found after testing the Schnarr white fly and scale destroyer: Sprayed tree with your No. 1, Oct. 1st, examined tree on Oct. 5, have found larvae, eggs 95 per cent dead, 5 per cent fatally injured, sooty mould well loosened.  
Price 40c per gallon. Directions: Use 3 gallons insecticide to 97 gallons of water.
